Education

Chemnitz University of Technology
Web Engineering(M.Sc.)

04/2021-present

Course Content

- Current Trends in Web Engineering
- Cloud & Web Application
- Software Service Engineering
- Databases and Web Technologies
- Databases and Object Orientation
- Design of Distributed Systems
- Security of Distributed Software
- XML
- Media Retrieval

Planspiel

- Seminar Web Engineering
- Preparatory Seminar for the Planspiel Web Engineering
- Planspiel Web Engineering

Thesis Topic

Comparison of Natural Language Document Classification Approaches

---

Sulaimani Polytechnic University | Sulaimanyah, Iraq
Computer Science, Computer Network(B.Sc)

10/2013 - 06/2016

Course Content		

- Web Design
- Web Programming
- Network and Internet Security
- Information Security
- Artificial Intelligence
- Network Routing
- Linux System Administration

- Object-Oriented Programming
- Network Design
- Visual Programming
- Data Structures and Algorithms
- Computer Architecture
- Data Communication

- Mobile Application
- Network Programming
- Network Management
- Wireless Networks
- Database
- Network Switching
- Operating System

Sulaimani Polytechnic University | Sulaimanyah, Iraq
Computer Science, Networks(Dip.)

10/2009 - 06/2011

Course Content		

- Compute Network
- Programming Fundamentals
- Logic Design
- Database Concept

- Client /Server Operating System
- Advance Computer Network
- Object Oriented Programming

- Network Security
- Web Programming
- Mobile Technology
- Computer Orginazation Maintenance
